Hey Shar,

Thank you for sending me all the info. I wasn't able to see the screening form, could you please re-send that to me?

As far as the dates, I would be able to get out during the week to meet with Dr. McMahon as well.

Mr. Kutch mentioned you guys are very busy during the week of September 18th, so here are some tentative dates to avoid that:

9/10 - 7:00am from CLE & 9/11 - 4:48pm from MOT

9/11 - 7:00am from CLE & 9/12 - 4:48pm from MOT

9/24 - 7:00am from CLE & 9/25 - 4:48pm from MOT

9/25 - 7:00am from CLE & 9/26 - 4:48pm from MOT

Please let me know if you need any additional dates in case none of these work for you. Alternatively, I could extend the stay with an additional night if needed, and catch the 10:46am flight on the following day.

This is the ticketing info:

Alexandra Radu

Trevor Charles Marlyne

I am looking forward to visiting with you!

Alex Radu

Hi Dr. Radu – I hope this note finds you well. Below is a sample of flight options between Cleveland (CLE) and Minot (MOT) for your review. The flights only vary by a few minutes on a day-to-day basis, but this will hopefully help you find a window of time to get away to visit us. Dr. McMahon is currently working only Tuesday, Wednesday and Thursday of each week. Will it be possible for you to get away during the week? If not, I'm sure we can work something else out. Below are the options:

Depart CLE	Arrive MOT	Stops	Carrier
7:00 a.m.	10:21 a.m.	1	Delta
10:02 a.m.	4:17 p.m.	1	Delta
3:45 p.m.	7:16 p.m.	1	Delta
4:44 p.m.	10:57 p.m.	1	United
5:24 p.m.	11:42 p.m.	1	Delta

Depart MOT	Arrive CLE	Stops	Carrier
------------	------------	-------	---------

6:11 a.m.	11:43 a.m.	1	Delta
10:46 a.m.	4:21 p.m.	1	Delta
1:40 p.m.	8:38 p.m.	1	United
4:48 p.m.	11:34 p.m.	1	Delta

I would just need to know which dates and flights you prefer, how your names appear on photo ID along with each of your dates of birth as required by TSA for accurate ticketing.

Lastly, we have everyone who visits complete a screening form. You won't have some of the items it asks for, but if you could complete and provide what you can that would be great. I have attached the link below: Once completed please scan and email or send it back to me.

If you have any questions at all, please do not hesitate to contact me.
